

"We have worked extremely closely with SBC to develop the Chinese cask for the Marston's business and at every stage feel they listened and acted accordingly."

We were delighted to have placed an initial order of 20,000 casks with SBC and having had the casks delivered into trade, we look forward to working with SBC again in the future."

Marston's Head Brewer – Richard Frost

Welcome

Sovereign Beverage Company is the first UK company to successfully develop high quality, stainless steel kegs and casks in China.

Why SBC?

- High quality, stainless steel casks and kegs
- ISO accreditation against all manufacturing processes
- Competitive pricing and low minimum order level – starting from 200 containers
- Working exclusively with our factory brings the benefit of flexibility
- SBC can manufacture containers bespoke to customer specifications

- All orders include:
 - Delivery of containers to customers in the UK
 - Ownership marking and colour banding to customer specification
 - Import duties, taxes and customs clearance
 - Optional UK banding, plating and repairs
- We provide a fully integrated and flexible approach with one point of contact
- SBC is responsive to your exact requirements

Proven track record with **all** our customers

Stuart Bateman,
