

BREWING EXCELLENCE

Heritage

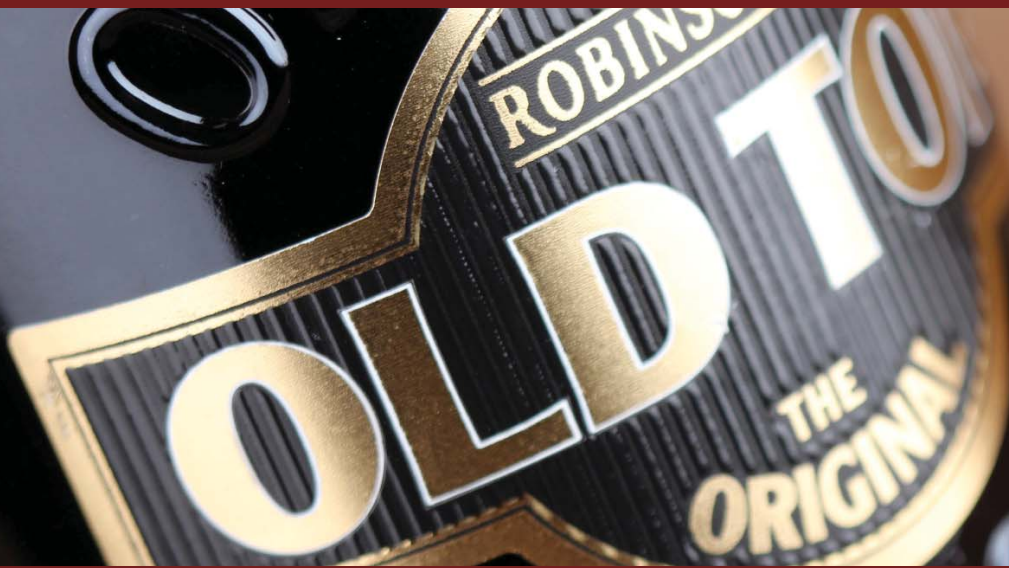

Robinsons Unicorn Brewery takes its name from the Unicorn Inn which was bought by William Robinson on September 29th 1838 and still stands proud today 170 years later.

The legacy of the brewery has been handed down through six generations of the Robinson family, ensuring the time honoured recipes and practices are still being used to craft our beers.

All our award winning beers are brewed using natural well water, which runs underneath the brewery and is deeper than a 40 storey skyscraper is high.

Robinsons have over 380 Robinson pubs in the North and North West of England, ranging from the Lake District down to Staffordshire and from North Wales over to the Peak District.

OLD TOM

Alc 8.5% Vol

Old Tom is one of the oldest beers in Great Britain. Over 150 years ago whilst waiting for the brew to ferment the Head Brewer sketched the brewery cat 'Old Tom' – from that day on, the beer was known as Old Tom and the sketches are now treasured.

Old Tom has won some of the industry's most prestigious awards and is now recognised as one of the most famous strong ales brewed both nationally and internationally.

Old Tom has a ripe vine fruit aroma with a delicious hint of chocolate as well as peppery hop resins. Port wine, dark malt chocolate and bitter hops fill the mouth, while the long and complex finish offers an increasingly rich vinous fruitiness and a solid underpinning of bitter hops.

GINGER TOM

Alc 6% Vol

Old Tom with ginger is a mouth watering combination of Robinson's award-winning Old Tom and the famously authentic Fentiman's Ginger Beer, which uses a traditional botanically brewed recipe dating back to 1900.

Using a fusion of natural ginger root and pear juice Fentiman's Ginger Beer gives Old Tom Ginger an exciting twist. It is a superior strong ale with a peppery blast of ginger and spiced herbs.

Old Tom is recognised as one of the most famous strong ales brewed in England and the addition of Fentiman's Ginger Beer creates a distinctive strong ale with a wonderful ginger burn.
